The **Council for the Built Environment (CBE)** is a statutory body established under the Council for the Built Environment Act (No. 43 of 2000). It is an overarching body that coordinates the six councils for the built environment professions, namely; Architecture, Engineering, Landscape Architecture, Project and Construction Management, Property Valuation and Quantity Surveying - for instilling good conduct within these professions, transforming them and advising government on built environment related issues.

SENIOR RESEARCHER

(Total cost to company: R819 999.42 per annum)

The Council for the Built Environment (CBE), located in Menlyn, Pretoria, has the above permanent position available for immediate appointment:

PURPOSE

To analyse policies and undertake research in order to provide credible advice on issues pertaining to the built environment and the professions.

KEY RESPONSIBILITIES:

- Conduct policy analysis on strategic matters impacting built environment professions and infrastructure delivery and other relevant work undertaken by organisations equivalent to the CBE
- Identify and conduct emerging research areas impacting the built environment
- Develop research project terms and relevant scoping
- Undertake research using relevant research methods
- Develop advisory reports on policy matters impacting the built environment
- Facilitate stakeholder engagements on relevant research topics undertaken by the CBE
- Provide technical and analytical guidance to the research and policy team
- Based on CBE research outputs, develop articles for publication with relevant credible journals
- Where necessary, mentor research interns on research activities
- Represent CBE to various stakeholders, as delegated by the Manager

REQUIREMENTS AND COMPETENCIES:

- Master's Degree in Social Sciences, Humanities, built environment or related fields (NQF 9)
- Doctoral Qualification in the Social Sciences or related fields (NQF 10) will be an added advantage
- Five (5) years' experience in research methods (qualitative and quantitative), built environment, or related disciplines
- Preference will be given to those with journal publication experience
- Analytical skills
- Stakeholder Management
- Project Management
- A valid driver's license

*Applications must be submitted with a detailed CV quoting the title of the position, by e-mail to hadmin@cbe.org.za by **15 March 2019**. Applicants not contacted within four (4) weeks of the closing date should consider their application unsuccessful. It is the applicant's responsibility to have their foreign qualifications evaluated by the South African Qualifications Authority (SAQA). The successful applicant will be required to undergo competency assessment. The CBE reserves the right not to make an appointment. People with disabilities are encouraged to apply.*
