The following evaluation process shall be followed:

### **6.1 Pre-qualification Criteria**

**Bidders must meet the following pre-qualification criteria. Failure to meet this requirement will result in the disqualification of your quotation.**

- a) Potential service providers must be registered on the National Treasury Central Supplier Database (CSD). The CSD registration report must be submitted. Prospective bidders must be tax compliant. **This quotation will not be awarded to any bidder who is not registered on the CSD, whose tax matters are not in order, and is a restricted supplier.**
- b) Only service providers who are registered on RFB 740 of SITA must respond to this RFQ

**\*\* The CBE reserves the right to verify the authenticity of the information submitted. The results of the verification will take precedence.**

### **6.2 Evaluation Phases:**

#### **i. Phase 1: Technical Evaluation**

The bidders' quotation will be evaluated to determine compliance to the scope of work indicated under paragraph 4 above. Failure to meet one or more of the specifications listed will result in the disqualification of your quotation.

Bidders who comply to all the required specifications will proceed to the due diligence process.

A due diligence process will be conducted in respect of all short-listed bidders to determine the capability and ability of short-listed bidders to execute this contract.

The CBE reserves the right to utilise any one or more of the below due diligence methods:

- Presentation of the proposed laptop by bidders, with pre-determined questions being posed by the CBE. A set of pre-determined questions based on the submitted quotation will be posed. This will be evaluated based on a grading scheme of either consistent or not consistent with the proposal. Should more than 20% of the responses not be consistent to the bidder's proposal their proposal will be disregarded.
- An investigation by the CBE of the bidder's previous contracts carried out, availability of skills or knowledge, existing workload
- Confirmation of the authenticity and content of the reference letters submitted (bidders must provide a minimum of **two** signed reference letters of the same work undertaken even if this method is not selected for due diligence).

Should negative feedback be obtained from the aforementioned that will render the bidder unsuitable to execute the assignment, their proposal will be disregarded at this point and they will not proceed for further evaluation.

It must be noted that if a service provider has previously undertaken work for the CBE to which a positive report is on record, such report may be used for the purpose of due diligence in the event that the selected method(s) above is/are unsuccessful.

Should the bidder meet the requirements of due diligence, their proposal will proceed to Phase 2.

ii. Phase 2: Calculation of points

**Please note that the proposals will be evaluated using the 80/20 preference point system.**

- a) 80 points are allocated for price and 20 points are allocated for the service provider's B-BBEE Level of Contribution.
- b) An original or originally certified copy (**it must be fresh ink and not a copy**) of the B-BBEE certificate OR valid original sworn affidavit (whichever is applicable) must be submitted to confirm your B-BBEE Level. Failure to submit a B-BBEE certificate or sworn affidavit will result in the forfeiture of points. Failure to submit a correct and valid certificate or affidavit will result in the forfeiture of B-BBEE points. Only points for price will be allocated. Any enquiries in respect of B-BBEE Status Level Verification Certificates may be directed to the B-BBEE Commission at 012-649 0918. Potential service providers must note that affidavits must adhere to the requirements set out in The

Broad Based Black Economic Empowerment Practice Guide 1 of 2022, Determining the validity of a Broad-based Black Economic Empowerment verification certificate, B-BBEE certificate and affidavit, paragraph 17. (Please ensure that your affidavit complies with the requirements set out under this paragraph. If one or more requirements are not met, it will render the affidavit invalid).

**Special note: Service providers must please ensure that affidavits indicate the title of the deponent i.e., director or member or owner (please circle/underline the relevant title applicable to you); and the full financial year must be stated i.e., date, month and year (not only the calendar year). Your empowering supplier status must also be indicated.**

During phase 2, points for price will be calculated for all shortlisted bidders in accordance with the following formula:

$$P_s = 80 \left( 1 - \frac{P_t - P_{\min}}{P_{\min}} \right)$$

Where:

$P_s$  = Points scored for price of quotation under consideration

$P_t$  = Rand value of quotation under consideration

$P_{\min}$  = Rand value of lowest acceptable quotation

iii. The final points will be calculated as follows:

Points for price:	80 points
B-BBEE Status Level of Contribution:	<u>20 points</u>
Final points:	<u>100 points</u>

In accordance with section 2(1)(f) of the Preferential Procurement Policy Framework Act, 2000, the CBE reserves the right to apply the following objective criteria, based on current case law, in determining the final outcome of the award irrespective of which bidder scores the highest final points:

- (1) the rotation of contracts amongst suppliers; following two (2) awards by the CBE to the same supplier within a period of 12 months
- (2) protection of the environment
- (3) the receipt of an abnormally low or high price i.e., more than 10% below the estimated price or more than 5% above the estimated price

A recommendation for award will then be formulated for approval by the relevant delegated authority.
