

30 March 2022

Dear Valued Stakeholder

In continuous pursuit of its mandate, the Council for the Built Environment (CBE) is launching the CBE Advice Desk.

Access to the CBE Advice Desk –

1. Directly from the CBE website, or
2. Via the following link: <https://cbe.org.za/cbe-advice-desk/>, or
3. By sending an email to [advisedesk@cbe.org.za](mailto:advisedesk@cbe.org.za).

The CBE Advice Desk aims to provide the Built Environment sector with a central point of contact for industry related requests for advice or guidance on queries and complaints relating to gender, youth or persons living with disabilities. Any received communication will be processed with the required level of confidentiality and anonymity and directed to the appropriate channels to ensure that they are appropriately addressed.

The CBE Advice Desk will establish a database on the nature and frequency of requests for advice and complaints received to inform and advise relevant stakeholders accordingly.

In appreciation

**Mr Msizi Myeza**

**Chief Executive Officer**
