

## Institutions with Built Environment Programmes and their Accreditation Status

This table details BE programmes offered by higher learning institutions and their accreditation status. The programmes are colour-coded to denote their following accreditation status:

**Red - Full Accreditation**

**Black - Accreditation status not determined** (information not provided)

**Blue - Provisional Accreditation**

**Orange - Not Accredited**

The courses of study are accredited by the relevant professional council viz:

Architecture: South African Council for the Architectural Profession (SACAP)

Landscape Architecture: South African Council for the Landscape Architectural Profession (SACLAP)

Engineering: Engineering Council of South Africa (ECSA)

Property Valuers: South African Council for the Property Valuers Profession (SACPVP)

Construction Management: South African Council for the Project and Construction Management Professions (SACPCMP)

Quantity Surveying: South African Council for the Quantity Surveying Profession (SACQSP)
