## 8. EVALUATION

The following evaluation process shall be followed:

**Pre-qualification Criteria (Bidders must meet the following pre-qualification criteria. Failure to meet these requirements shall result in the disqualification of your proposal):**

- Potential service providers must be registered on the National Treasury Central Supplier Database (CSD). The CSD registration report must be submitted. Prospective bidders must be tax compliant. **This proposal will not be awarded to any bidder who is not registered on the CSD, or whose tax matters are not in order and/or who is a restricted supplier.**

**\*\* The CBE reserves the right to verify the authenticity of the information submitted. The results of the verification will take precedence.**

**a. Evaluation Phases:**

**i. Phase 1: Technical Evaluation**

The bidders' quotation will be evaluated to determine compliance to the specifications of items listed under paragraph 3 above. Failure to meet one or more of the specifications listed will result in the disqualification of your quotation.

Bidders who comply to all the requirements of the specifications will proceed to the due diligence process.

A due diligence process will be conducted in respect of all short-listed bidders to determine the capability and ability of short-listed bidders to execute this contract.

The CBE reserves the right to utilise any one or more of the below due diligence methods:

- Presentation by bidders with pre-determined questions being posed by the CBE. A set of pre-determined questions based on the submitted proposal will be posed. This will be evaluated based on a grading scheme of either consistent or not consistent with the proposal. Should more than 20% of the responses not be consistent with the bidder's proposal their proposal will be disregarded.
- An investigation by the CBE of the bidder's previous contracts carried out, availability of skills or knowledge, existing workload etc. OR
- Confirmation of the authenticity and content of the reference letters submitted (bidders must provide a minimum of **two** signed reference letters of similar work undertaken even if this method is not selected for due diligence). Purchase orders will also be accepted, subject to the CBE verifying the authenticity of the information submitted.

Should negative feedback be obtained from the aforementioned that will render the bidder unsuitable to execute the assignment, their proposal will be disregarded at this point and they will not proceed for further evaluation.

It must be noted that if a service provider has previously undertaken work for the CBE to which a positive report is on record, such report may be used for the purpose of due diligence in the event that the selected method(s) above is/are unsuccessful.

Should the bidder meet the requirements of due diligence, their proposal will proceed to Phase 2.

ii. Phase 2: Calculation of points

**Please note that the proposals will be evaluated using the 80/20 preference point system as outlined in the Preferential Procurement Regulations, 2022 where:**

**80 points will be allocated for price and 20 points will be allocated for specific goals.**

During phase 2, points for price will be calculated for all shortlisted service providers in accordance with the following formula:

$$P_s = 80 \left( 1 - \frac{P_t - P_{\min}}{P_{\min}} \right)$$

Where:

- $P_s$  = Points scored for price of proposal under consideration
- $P_t$  = Rand value of proposal under consideration
- $P_{\min}$  = Rand value of lowest acceptable proposal

**The final points will be calculated as follows:**

Points for price:	<u>80 points</u>
Specific Goals Contributor:	<u>20 points</u>
Final points:	<u>100 points</u>

## Points awarded for Specific Goals

Provisions of the Preferential Procurement Policy Framework Act (PPPFA) of 2022 and its regulations will apply in terms of awarding points.

Bidders must submit documents as valid proof to substantiate points claimed for specific goals, that should include amongst others the Shareholder Certificate/CIPC Company Registration Documents, certified copies of ID for directors, Approved Annual Financial statements and/or any other documentation.

Failure to submit Preference points claim form and proof to substantiate points will result in the forfeiture of specific goal points. Failure to submit a correct and valid specific goals claim will result in the forfeiture of specific goal points. Only points for price will be allocated.

In terms of Regulation 3 (1) an organ of state must, in the tender documents, stipulate goals in the invitation to submit the tender for which a point may be awarded, and the number of points that will be awarded to each goal, and proof of the claim for such goal.

To determine whether the quotation meets the criteria of an acceptable tender, the CBE reserves the right to apply the following selection criteria, based on current case law, in

determining the final outcome of the award irrespective of which bidder scores the highest final points:
